PLAN FOR LUNCHEON
Taft Party Will Lunch In a Tropical Bower.

The entertainment committee for considering plans for the Taft party met at the Hawaii Promotion headquarters yesterday afternoon and perfected arrangements for the luncheon to be given the party at the Hawaiian Hotel on Friday, July 14.
The Ewa and front lanais will be used for the luncheon, and the scheme of decoration is being considered by a committee of ladies. It is the intention to make the lanais resemble a tropical bower as much as possible.
The entertainment committee will meet again on Monday and sometime during the early part of next week the full committee will meet to complete all arrangements.
The Hawaii Promotion Committee also met yesterday. Little was done save to adopt the reports of the secretary and treasurer, which will be forwarded to the Chamber of Commerce and the Merchants' Association.

DRUNKARD THOUGHT HE WAS IN HELL
The Honolulu police station is undergoing a thorough cleaning and fumigation, the cells being closed up and thoroughly fumigated with sulphur, a process that is necessary at least once a year. Consequently there is little room for prisoners. Last night a drunken sailor was brought in and taken below into the jailyard. The escaping sulphur from the cells was swept by the wind across the yard and the man picked out the place where the fumes were thickest and sat down there. In a few moments he came tearing up to the door, yelling and cursing. He evidently thought that he had descended into the depths of Hades, for through the drifting brimstone smoke nothing but gray walls of stone were visible. Beating on the door with all his might he prayed piteously to be let out. The fact that Dr. Pratt and an assistant were also in the yard did not reassure him and he fled from the doctor, perhaps thinking him the Evil One. After a few minutes in the yard the door was opened and the trembling man was brought out into the open air. In a few moments he was on his way to his ship. It is safe to say that he will steer clear of the Honolulu police station in the future.
